THAT MAKE THESE STOCKS EXPLODE!!!

This really helped on my journey to the bottom of the Grand Canyon last year. With it's slow progression you feel like you're being pushed along by the ebbs and whorls of a river on a summer's day.

An east facing window will get morning sun, however regional air temperature takes time to warm up.

You just don't want it to end.

and none of this is rocket science.

It's funny, well written, well filmed, excellently acted.

I think it might make the "always consider buying" list!

Either way - if I'm not paying for Epson ink I'm going to have to choose one generic to try.

This has certainly damaged their image in my eyes.

Apparently frogs are very susceptible to environmental damage.

You heard me uber cool.

and the couldn't tell you which it was without a thermometer anyway!

Well we tried this one out and found it a delicious light slightly fruity wine.

Just be warned - you'll see a difference on your utility bill.

This has certainly damaged their image in my eyes.

The point of the stampede is the chucks and rodeo - the drinking, debauchery, food and rides are there because of the chucks and rodeo.

It was a waste of time, useless, undesirable movie that just isn't worth seeing.

The vocals are heartfelt, really pretty and to a nice musical and rhythmical backdrop.

You heard me uber cool.

Even better there's a nice whistling line you're going to find it hard to forget, and not to imitate!

they're all likable and dis-likable!

But let us say this: it rocked.

Around that temperature or below outside - open windows and doors to cool the place.

This really helped on my journey to the bottom of the Grand Canyon last year.
Something to keep in mind when you're using fans next.
pointing a fan to blow hot air out through an open window is more effective than sucking cool air in through the window.

On the last page of the review you'll find an original Gameboy handheld modified to contain the computer - think about where you'll be able to hide CPUS!
I like that they found a model who doesn't quite look natural in the face too - more of an authentic post-botox look.
just one guy gettin' it done.
Now here's where it gets clever - you can sign up on various scoreboards on the site and compete against other users!
I'm thinking this would be excellent for robotics, installation art, making artistic computers, and comically misplacing.
Around that temperature or below outside - open windows and doors to cool the place.
An excellent song to exercise to - it keeps the energy up through the whole song .
Nothing gets people motivated to exercise like seeing their position on the board slip as others get out there and work up a sweat!

Blow air out through an open window - here's something I didn't know.
I know I'll take flack for it - but I liked it.
This has certainly damaged their image in my eyes.
You heard me uber cool.
I guess I'm kind of hoping that people's interest wanes a little so I can get ahead - that's probably wrong of me isn't it?
An east facing window will get morning sun, however regional air temperature takes time to warm up.
The amusing preview you may or may not have seen are the best bits.
I'm a bit disappointed by my position - I thought I'd be higher.
which some absolutely moronic.
You can't help but tap your feet and chuckle.

If you can find it you really should try it.
Through the social club at work I'm participating in a fitness scoreboard.
It's all relative of course.
Watch this movie - eat popcorn, have a good evening.
It's got to the point where if someone trailing me on the board passes me I'll go out and climb a few flights of stairs to try and regain my position.
Well that's inexcusable.
A good combination can make a huge difference to the heat you feel on the other side.

Here comes Calvin Harris out of nowhere - well he probably didn't come from nowhere here, but he's suddenly appeared with this song, several remixes, and even a mini-mix on Annie Mac's show.
I'm a bit disappointed by my position - I thought I'd be higher.
which some absolutely moronic.
And I don't mean just a little better than the rest I mean their the only bits.
