

Central California Chapter-WESTOP Student Leadership Conference

“TRiO: The Evolution of Leadership”

January 29-30, 2010

California State University, Bakersfield

The Central California Chapter: Student Leadership Conference is scheduled to take place on the CSU, Bakersfield campus on January 30, 2010.

We hope that you join us for CSUB's First Central California /chapter Student Leadership Conference. In response to the needs of our programs, we will be offering a college track where our SSS, EOC and McNair students have the opportunity to participate in workshops that address their needs. There will be workshops, as well, to help motivate and encourage the Talent Search and Upward Bound students to continue with their education.

As the theme for this year's conference indicates, the evolution of leadership within our communities begin with our students and our responsibility to mold them into the leaders of tomorrow.

We will also be recognizing this year's Central Cal Chapter Scholarship Recipients.

Sincerely,

Rey Cuesta 2009 SLC Chair
