What is National TRiO Day?

National TRiO Day is a day of celebration, reflection and action around increased access to higher education for disadvantaged students. Federal TRiO Programs help low-income and first-generation students enter college and earn a college degree.

Every year high school and college students, teachers, Members of Congress, local officials, TRiO Program staff, participants and alumni and many others:

Celebrate

the positive impact of federal TRiO Programs in our communities throughout the nation.

Reflect

on the importance of educational opportunity programs in creating a fairer society for all Americans.

Act

to protect and further access to higher education for low-income and first-generation students.

This year we will be offering:

- 1) Individual Proclamations of our participants from all of our programs towards TRiO.
- 2) History of TRiO Programs
- 3) Political Advocates speaking to our participants regarding TRiO.
- 4) A Community Service effort
- 5) Interactive Activity amongst all of our attendees to promote TRiO programs in our chapter and nation.
- 6) Announcement of Scholarship Recipients for CenCal 09/10.
- 7) Attending Vintage Days @ California State University, Fresno
